

Handyman Services

‘Handyman service’ is a general term used to describe the direct provision of help with small jobs, usually in the homes of low income householders and particularly for older and disabled people in the community.

At Community Life Choices we provide a Handyman Service available to help with those little jobs around your home.

Types of jobs covered;

- Putting up shelves
- Painting a feature wall
- Constructing flat pack furniture
- Putting up curtains and rails
- Moving heavy furniture
- Minor home adaptations
- Fitting key safes
- Fixing locks and bolts

and many more...

Decorating

Our decorating team is friendly, reliable and above all professional. Our team are experts at handling all types of decorating jobs big or small. Whether you simply need some new wall paper hanging or have paintwork that needs retouching, or need rooms to be completely re painted with emulsion.

Odd Jobs

There's always an odd job that needs doing, and we're able to do all the odd jobs. Our multi-skilled handyman team are capable of dealing with all sorts of repair and maintenance tasks, such as hanging, fixing, fitting, moving, assembling, changing fuses and plugs, trimming and fixing loose carpets, fitting hand grab rails, tiling small areas we do it all.

Plumbing Services

We deal with all the basic plumbing repairs such as dripping taps, leaking pipes, blocked internal pipes, bleeding radiators, changing taps, faulty toilet cisterns. We fit washing machines and will even just fit a new toilet seat.
